Elizabeth Warren Just Got a Hilarious Birthday Present

Published July 3, 2017

By Lianne Hikind | MRCTV

Sen. Elizabeth Warren, known better in many circles as “Fauxcahontas,” has received a very thoughtful birthday gift by her Massachusetts challenger: a DNA test.

In a hilarious gesture, Shiva Ayyadurai, a Republican running for Warren's senate seat, sent Ms. Warren a 23andme DNA test kit as a birthday present.

Fox News reported on Monday that Ayyadurai had tweeted about sending the Massachusetts senator, whose birthday was on June 22, a DNA test as a birthday present, along with an affectionate note.

The note reads:

"Dearest Elizabeth, Happy Birthday! As a wise man once said, 'To Thy Own Self Be True.' So what better gift than this to know WHO YOU truly are. Enjoy!"
