MIT FOOD SERVICE WORKERS: Shree Arjundas '86 from the MIT Coalition Against Apartheid (front) congratulates Tallasa Masani, a thirty-year Food Service Worker.

We are a proud part of the MIT Coalition Against Apartheid. We pledge our continued support for complete divestiture, increased minority enrollment and greater financial aid. We firmly believe that justice for Local 26 members cannot be separated from the struggles for justice of working men and women everywhere. We have and will continue to be on the frontlines of the Free South Africa Movement.

Report row ousts top Indian scientist

Ruckus over call for reform at national science agency raises questions about attracting expatriate talent.

K. S. Jayaraman

Bangalore

The first appointment in a scheme to recruit expatriate scientists to senior positions in the Council of Scientific and Industrial Research (CSIR) — India's largest science agency — seems to have misfired badly.

Shiva Ayyadurai says he returned to India on a "mission" to help his homeland.
 D. Coombe/MIT

A US scientist of Indian origin has been dismissed just five months after he was offered the position of 'outstanding scientist' and tasked with helping to commercialize technologies developed at CSIR institutes.
